On arrival at the Airport you will be met by PerryGolf personnel who will assist you with your luggage and transfer to your transportation.

Your preferred arrival & departure airport options are dependent on your personal preferences. The closest airport to your first hotel/golf course is listed first. Some airports have direct transatlantic flights from US cities while others only offer service with connections through European hub cities. Our air department is available to talk through your air travel options.

Today play the outstanding **Cruden Bay (tbc)**. Those who make their way to the Highlands by way of Aberdeen will not want to miss Cruden Bay. This is an old-fashioned gem of a links with greens and fairways hidden between massive dune, driveable par fours, blind shots and of course gorgeous view of the North Sea. There is evidence that golf started here in the 18th century but it was in 1899 when the original layout by Old Tom Morris and Archie Simpson opened for play at 5,290 yards. The course was redesigned in 1926 which essentially stands today playing with more than an additional 1,000 yards. "Port Erroll", the 193-yard 4th, played from an elevated tee to an elevated green, will get your attention. Cruden Bay is a regular among the world's top 100 clubs.

Saturday, June 3

Play **Royal Aberdeen (tbc)**. Founded in 1780, this is the sixth oldest golf club in the world. It has hosted The Senior Open won by Tom Watson and the Scottish Open won by Justin Rose. It is a tale of two nines. The outward holes are recognized as nine of the best pure links in the game. The first plays from beside the clubhouse directly to

the North Sea. The next eight run parallel to the shore through a valley of dunes. The inward nine play on high ground where the full force of the wind regularly wreaks havoc. Eighteen is a serious par four requiring two of you best to simply reach the green.

Today play the **Trump International Golf Links (tbc)**. Imagine Dr. Martin Hawtree's™ delight, the third generation golf course architect with many achievement to his credit including his service as the R&A's™ go-to for modifying Open venues, when he was chosen to design the newest American-inspired golf course in Scotland this century along a spectacular 3-mile stretch of North Sea coastline with almost unlimited resources. Trump International Golf Links may represent his finest hour. The round combines high ground with striking views before descending into secluded valleys between monstrous dunes. There are five tees on every hole, except the two that have seven. There are eighteen fully revetted bunkers on the 18th! It is a sight to behold.

Monday, June 5

Today play **Kingsbarns (tbc)**. Golf dates to a nine-hole layout here in 1793. It was commandeered by the military during the Second World War not to reappear until Kyle Phillips took an interest in the late 1990s. His design ushered in the era of "modern classics" when it opened in 2000 looking like it had been there for years. The terrain is links style perfection with tumbling fairways and sandy soil that produce the fine-bladed fescues which are the cornerstone of fast-and-firm playing surfaces that characterise links golf. The fairways are spacious, the greens are large, exceptional views of the North Sea are found on every hole.

Tuesday, June 6

Today challenge the **Old Course of St Andrews (tbc)**, the "Home of Golf". The Old Course has played host to the greatest golfers and produced many of golf's most dramatic moments. Wide double

fairways, seven extensive double greens, and a multitude of intimidating bunkers are just some of the unique features you will encounter. Jack Nicklaus and Tiger Woods each hoisted the Claret Jug here on two occasions. In 1927, Bobby Jones claimed The 62nd Open six years after taking four strokes to escape the Hill Bunker at the 11th and tearing up his scorecard! No. 17, the “Road Hole”, is always an adventure as is negotiating the Valley of Sin at the short par-4 18th.

Wednesday, June 7

Golf today on the **New Course of St Andrews (tbc)**. Several holes at the oldest “new”™ course in the world “the New Course opened in 1895” have been carved through punitive gorse, so accurate tee shots are required. Set beside and in contrast to the Old Course, this Old Tom Morris design includes undulating fairways and puts on display a fine test of links golf. The 17th can be a make-or-break par-3 coming home. It measures 229 yards from the back tees, forcing golfers to combine power and precision to find the green in regulation. The New is highly regarded among the locals because it is tighter and more defined than the Old.
